

FS HD Video Conference Camera for Small Rooms

Full HD USB, Plug and Play Video Conference Camera

Overview

FC530/FC530-4K video conference cameras deliver premium optics and life-like video calls to create the experience of sitting together in the same room, even if you are a thousand miles away. These video conference cameras are a smart choice for small conference rooms, classrooms and other professional environments where clear, high-resolution video is a must.

Benefits

- 4K/1080p HD Conference Camera
- Low-light Correction Technology
- Built-in Mic
- USB Plug and Play

Key Features

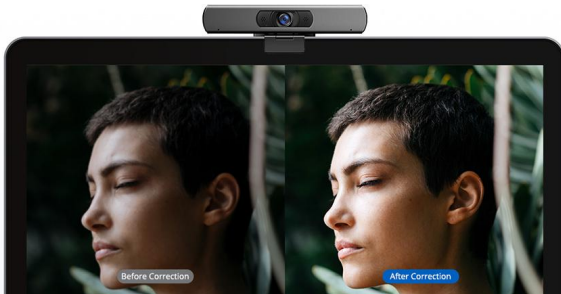

- **4K/1080p HD Video Quality**

FC530-4K features with ultra HD 4k resolution and FC530 delivers business-grade 1080p HD video. Provide brilliantly sharp image resolution, outstanding color reproduction, and exceptional optical accuracy.

- **Wide Field of View**

FS video conferencing solution allows everyone in the room to be seen, even those close to the camera or seated at the edges of the room.

- **Low-light Correction Technology**

High SONY CMOS combined with 2D & 3D noise reduction, the video is clean even under low light conditions.

- **Built-in Mic**

Built-in noise reduction technology, avoid receiving the noise around you. The audio is optimized for huddle room acoustics and delivers an exceptional sound experience.

- **Easy Plug-and-play USB Connectivity**

USB plug-and-play connectivity makes FC530/FC530-4K a breeze to deploy and use. Simply connect to your laptop through a USB cable, and you're good to go.

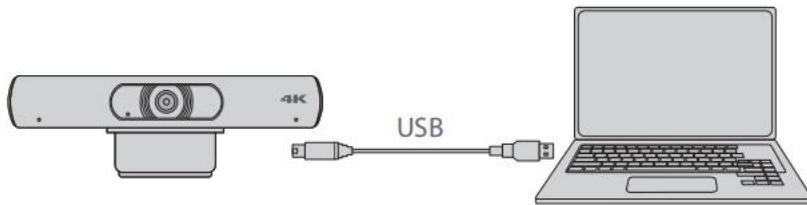

- **Compatible with Your Favorite VC Apps**

Compatible with all your favorite applications including Zoom, BlueJeans, Cisco WebEx, GoToMeeting, etc. And support with Windows, Mac OS, Smart TV and others.

Device Connection

FC530/FC530-4K are premier conference cameras designed for small conference rooms and huddle rooms.

The cameras are USB plug-and-play and simply work right out of the box with any video conferencing software application and cloud service, including the ones you already use.
